A Message from Mayor Annette Iafallo ... Regular Garbage & Recycle Schedule through April 30

I'm writing to update everyone on the trash/recycle pickup schedules our DPW crews will be running from April 1 through April 30 ... and to ask your cooperation in following the various precautions in place in response to the Covid-19 pandemic:

REGULAR GARBAGE – will continue in the morning on your scheduled day:

- Secure ALL loose garbage in bags/boxes/etc. before placing in the tote.*
- Totes filled with loose garbage of any kind will NOT be picked up. Once bagged, contact the DPW at 827-6406/6407 for a return garbage pickup.*

RECYCLE – will occur at 4pm on your regular garbage day:

- Secure ALL recycling materials in a closed container before placing in your recycling tote and/or can/bin marked with an X.*
- Examples of closed containers include clear plastic bags or a closed-top cardboard box.*

BULK TRASH/ELECTRONICS – remains on hold until further notice due to workforce reductions mandated by NYS. This includes for the month of April:

- Cancellation of one bulk item pickup scheduled for April 6-10.*
- No tree/branch pickup.*

Lastly, PLEASE continue to take all necessary precautions to ensure your safety and that of others during this difficult time.

Stay Home. Stay Safe. And, God Bless.

Annette
